Crowe Chapel Is Remodeled

Completely modernized, yet retaining its homelike atmosphere, the James Crowe Mortuary has been reopened by its proprietors, Lewis Franklin and John Buzovich.

Repainted and, remodeled in semi-colonial style, the mortuary at 926 Middlefield road now has French windows and doors, shaded by Venetian blinds.

A private entrance to the family room has been constructed; a modern type of slumber room has been installed, and the chapel has been repapered and enlarged, with velvet drapes in old rose on the windows.

Outside the building, shrubbery has been planted, a lawn is in the process of being planted, and new gates and lattice work add to the attractiveness of the pioneer mortuary. A neon sign has been installed in front of the structure.

L. L. Roberts was general contractor for the work. P. E. Brand Company doing the plumbing and C. H. Dosssee the painting.

Reed Hospital Founder Dies

Mrs. Maude C. Reed, founder 30 years ago of the Reed Sanitarium in Belmont and operator of the famed peninsula institution until 1932, passed away Tuesday at her home at 606 Hurlingham avenue, San Mateo, of a heart ailment.

Although she had been retired since disposing of the sanitarium, now known as the Nerve Rest, Mrs. Reed had remained active until recently. She was more than 80 years of age.

Mrs. Reed came to the peninsula from Nevada, where she had operated a sanitarium. Her husband had passed away before she moved from that state.

Under Mrs. Reed's management, the Belmont sanitarium became one of the best known in the state, and was accredited to the American Medical Association. Mrs. Reed had a host of friends, including many former patients who felt that they owed their lives to her care of them.

America's exciting new sweethearts, Robert Taylor and Barbara Stanwyck, as they appear together in "His Brother's Wife," which opens a three-day engagement at the Fox-Sequoia Theatre Sunday. On the same bill will be "Two Against the World," with Humphrey Bogart, the gangster of "The Petrified Forest," Beverly Roberts and Robert Cavanaugh.

ADDITION TOMORROW EVE ADDITION TOMORROW NOON

The formal opening of a new, extremely modernistic design being arranged by E. H. Bentrott of Palo Alto, noted peninsula decorator. The drapes are of modern homespun hung from chromium rods. All equipment in the cocktail room is the newest creation in this line of endeavor.

In the additional dining room there will be eight booths and several tables giving seating capacity for nearly 100 more patrons than can now be accommodated.

Separate entrances to the cocktail room are provided in the rear of the building.

The new structure was erected and equipped at a cost exceeding \$7,500 it was estimated.

The Fox Shoppe was established here 12 years ago and has enjoyed phenomenal success under the direction of the founder, Mr. E. A. Fox. The place received nationwide publicity last year when automatic Toastmasters were placed on each table for the convenience of diners.

Many famous personages have visited the Fox Shoppe, including O. O. McIntyre who later penned a note to Mr. Fox telling how he had enjoyed dining there.

A cocktail hour will be held each afternoon and evening during which hors d'oeuvres will be served.

Descendant of a pioneer early California Spanish family, Andrew Flores, veteran of three wars, a resident of this city for the past 18 years and employed until 1932 as a flagman for the Southern Pacific, died on Sunday in a San Mateo hospital after a long illness.

Flores was the son of the late Antonio and Bessie Flores, both of whom were born in San Jose. He had never married. His home here was at 524 Arguello street.

Surviving relatives include two sisters and two brothers: Mrs. Romie Cuevas of San Francisco; Mrs. Jennie Tuttle of Hanford; Leandro Flores of Redwood City and Anthony Flores of the Republic of Honduras, Central America.

Flores was a veteran of the Spanish-American War, the Boxer Rebellion and the Philippine insurrection.

Air Races Open In Los Angeles On September 4

The 1936 National Air races today were assured the united support of all civic bodies as a result of a formal announcement made jointly by President Oscar Trippett of the junior chamber of commerce and President Carl B. Squier of the National Air Races of Los Angeles, Inc., that the junior chamber had assumed the official sponsorship.

In addition to leading the various civic groups supporting the races, the junior chamber is planning a program of supplementary events and will stage a huge parade from the downtown district to the Municipal Airport to formally open the meet on Friday, September 4. Sam Gates, chairman of the aviation committee of the chamber disclosed.

World famous speed fliers from this country and abroad will compete for the \$70,000 prize money. Features of the four day racing meet will be the Bendix transcontinental speed dash from New York to Los Angeles, September 4, the Thompson trophy, a closed course speed race of international fame, the Ruth Chatterton trophy race for sportsmen pilots and the Greve and Shell trophy races.

Construction on the 60,000 seat grandstand is well under way, Clifford W. Henderson, managing director, announced.

Age Limit Given For Elementary School Students

Kindergarten children are required to be at least four years and nine months of age.

First grade pupils must be at least 5 years and 9 months old.

This information, state requirements, was issued today by City Superintendent of Schools John Gill for benefit of parents who are requested to bring new students to the school nearest their residence Monday, date of school opening.

At the same time Gill announced that the Jefferson school kindergarten will be used in the afternoons this year instead of the McKinley kindergarten, which room will be used for band and orchestra. Transportation will be provided those children too far away from Jefferson school to walk, Gill stated.

Children of the Emerald Lake "run" will be brought to school in the new bus recently purchased by the board of trustees.

World Aces To Thrill Throngs

Carrying the message of the National Air Races to be held in Los Angeles, September 4 to 7, race headquarters at the Ambassador hotel began distribution of 500,000 windshield stickers. Miss Sibbie Hill is shown pasting the first sticker on the windshield of the car of "Jiff Henderson, managing director of the races, who is pictured with her. The races this year will attract the cream of world fliers and will be international in scope. Total prize money amounts to \$70,000—\$20,000 more than was offered at Cleveland last year. Feature events will include the Bendix transcontinental speed dash from New York to Los Angeles, September 4, the Ruth Chatterton Handicap Derby for Sportsman pilots, from Cleveland, August 23, the Greve trophy race; the Shell trophy races; and the International free-for-all Thompson speed classic, Labor Day, September 7th.

MILLS FIELD, Aug. 24.—Ground was to be broken here today for the first large airplane factory in the bay region.

The Stearman-Hammond Aircraft Corporation is beginning work on the plant on its newly acquired 15-acre site adjoining the San Francisco Municipal Airport.

The company chose the site after inspecting many others offered by competing communities, notably in Southern California.

The capacity of the new plant will be about eight planes a month for the first year of operation. It is designed for the addition of others units to bring its capacity to about 12 or 15 planes a month.

The company produces what is known to manufacturers as the "world's safest airplane," according to Samuel Metzger, secretary.

Cole-Beatty Show Coming On Sept. 9th

GOLIAH AND HIS APARTMENT

Except for those occupied by the polar bear colony and the five troupes of performing seals, there is but one apartment in the menagerie of the Cole Bros.-Clyde Beatty Combined shows which is fitted with a private bath.

This is the glass-front flat where lives the five-ton hippopotamus, Goliath, mascot of the circus zoo.

Should you engage Goliath's keeper in conversation, he will tell you that he is a rare casanova and that he has often caught him "making eyes" at other huge animals in the menagerie. This gent of the Nile is the largest black African specimen ever captured. He will "receive" afternoon and evening when Cole Bros. and Clyde Beatty Combined exhibits in Palo Alto on Wednesday, September 9 at 2 and 8 p.m.

The Metropolitan Opera in New York once was called the "Faust-spielhaus" because it gave so many performances of Gounod's "Faust."

MENLO PARK NEWS

The election for three trustees for the Menlo Park Sanitary District will take place on September 14. The incumbents, W. T. Casey, Martin L. Crimmins and Edward Eyre Jr., have filed for re-election.

A big vote was polled here Tuesday. At precinct No. 1, out of a registration of 215, all but 30 voted. There were many upsets in the election, but they were expected. The election of Harrison Call for the assembly was a surprise. He captured both nominations.

John Maloney is up from Los Angeles to spend a few days with his parents, Mr. and Mrs. C. T. Maloney, on Pine street. Mr. Maloney is a newspaper cartoonist.

Mr. James G. Mason and his daughters will arrive home this week from Seabright, where they spent the summer.

Miss Edna Denhard, a San Francisco high school girl, is a guest of her aunt, Miss Meta Kugler. Thomas Kearney and his mother are expected home from the East Monday. They went to Illinois to visit Sister Patricia, daughter of Mr. and Mrs. P. Kearney.

The assistant pastors of the diocese of San Francisco are holding a retreat at St. Joseph's Seminary this week.

Mrs. M. Sullivan, who passed away Monday, was a pioneer of Menlo Park, where she resided for nearly 35 years. She was a native of Ireland but came to the United States when very young. The funeral services in the Church of the Nativity Wednesday morning were largely attended by relatives and friends. Mrs. Sullivan is survived by a daughter, Mrs. Theresa Hebrank of Piedmont, and a son, Frank Sullivan, a conductor on the peninsula trains for the Southern Pacific Railroad Company. The interment was in Holy Cross Cemetery, Colma.

In a short time the American Trust Company bank will move to Redwood City. Negotiations are being made for headquarters there. The staff will be retained. It is rumored that a San Francisco bank is negotiating with a certain property owner to locate in Menlo Park.

Mr. and Mrs. Francis C. Johnson of Menlo Park have returned after a week's trip to Lake Tahoe, Yosemite and Mono Lake.

Mr. and Mrs. M. J. McCarthy have returned to Menlo Park after a 10-day motor trip. During most of their outing, they were in Lake county.

Scout Regatta To Find Whole City Joining

City Council Selects
Committee to Assist
Annual 3-Day Event

All Redwood City will have a share in the Labor Day week-end Sea Scout Regatta to be held in the local harbor, under plans mapped by the city council Monday night.

As one of several business items handled in the brief adjourned meeting, the council approved appointment by Mayor Paul A. McCarthy of a committee of three to plan the city's participation in the annual event, set this year for September 5, 6 and 7.

Chairman of the committee is Councilman Evans A. Fletcher, who proposed the "Yacht Harbor Days" to provide a holiday activity for the city and to acquaint citizens with the harbor.

TO INTEREST EVERYONE
Serving with Fletcher will be Councilman James Eva and Secretary-Manager Roscoe D. Wyatt of the Redwood City Chamber of Commerce.

They will co-operate with Acting City Manager Charles L. Dimmitt to plan a fete to interest everyone in Redwood City.

Last year without such an event, several thousand people visited the harbor during the regatta, which drew more than 300 scouts from Northern California.

LARGER GROUP EXPECTED
This year even more scouts are expected, and the variety of tests, drills, sports and races planned to draw a crowd of interest to the public, according to Howard King, local committeeman in charge.

Before the regatta is held, the road leading to the yacht harbor from the Chestnut street extension will be oiled, Acting City Manager Dimmitt reported to the council. The main road from the Bayshore was resurfaced only a few months ago by County Engineer U. S. Marshall's department.

NEW ADDRESSES FILED
On file in the city hall water department today were the following new addresses: Inez Hinds, 1622 Union; Mrs. E. Irwin, 910 Vera; Aurelio Vera, 243 Locust; Mrs. E. W. Anderson, 54 Clinton.

Hughes Girl Gains In Fight for Life

SAN MATEO, Aug. 26.—Little Dorothy Hughes, 6, critically hurt when she fell 15 feet from a Burlingame park slide yesterday, was gaining today in her fight for

life, Dr. R. R. Moulton reported. Although still too ill at Mills Hospital to be moved for X-rays, the child was "improved," the physician said; he believes she has a fractured skull. If the girl lives through the next 24 hours, she will probably survive, hospital attaches believed.

El Camino Real Widening Costs Win M. P. Study

MENLO PARK, Aug. 26.—Estimates of the cost of moving buildings and widening El Camino Real and Santa Cruz avenue within the city have been requested by the state highway commission, Secretary George Nesbitt advised the Menlo Park Planning Commission. Widening of the two thoroughfares was proposed by the commission at an earlier meeting, and although no state funds are available for the work at present, highway officials view the project favorably, Nesbitt said.

Nesbitt was delegated to confer with Palo Alto's planning commission over the creation of a master planning map applicable to the county districts separating the two cities.

The sub-division of Belle Acres on the old Martin tract west of Menlo Park was approved upon the recommendation of the county planning commission.

Young People's Organization Aid Dry Move

The California Christian Endeavor Union, of which Andrew Stewart of Redwood City is immediate past president, will actively crusade for passage of a local option law, to be submitted to the voters at the November election, designed to establish home rule, according to George A. Culbert of San Francisco, state citizenship secretary for the C. E.

At the same time, Sam Flint, state president of the B.Y.P.U., announced that his state-wide organization will join with the Christian Endeavor Union in a campaign to co-operate with the county campaign committees of the United Dry Forces of California, to set up youth rallies in every county in California and to organize youth automobile brigades to bring the

Spagnoli Is Freed From 4-Day Bride

The adventure she sought through marriage was ended officially today for Mrs. Muriel Spagnoli, new bride of Attorney Ernest Spagnoli of San Francisco.

In a proceeding on Monday that took less than a minute of Judge Maxwell McNutt's time, the 50-year-old Spagnoli was granted his plea for annulment of his August 13 Reno wedding to the 23-year-old San Francisco girl who told him four days later that she married him "for the adventure" and because she "wanted to be known as a married woman."

Gardener Dies Of Heart Attack While at Work

Stricken with a heart attack while at work mowing a lawn on the S. Cantor estate on Atherton avenue, Atherton, where he was employed as a gardener, Battista Ferrando collapsed and died Tuesday. His body was found by his son, Eno, at 5 p.m., apparently only a short time after he had passed away.

Ferrando, a native of Italy, had lived here 25 years, residing at 1717 Jefferson avenue. He was 55. Membership was held by Ferrando in both the Redwood City Nest No. 1484, Order of Owls, and the Italian-American Progressive Club.

He is survived by his wife, Rose, and a daughter, Julia, besides the son. He was a brother of Biagio

Ferrando of this city and Joe Ferrando of San Mateo. His mother, Mrs. Julia Ferrando, of Italy, also survives.

Mischa Elman, the great violinist, recently was made doctor of music by the Chicago Musical College.

Child Critically Hurt In Fall From Slide

BURLINGAME, Aug. 24.—Light-hearted play turned to tragedy this morning when Dorothy Hughes, 6-year-old daughter of Mr. and Mrs. H. S. Hughes, fell from the top of a slide in the city park, incurring a head injury from which she may die.

The child was rushed to Mills Memorial Hospital where Dr. R. R. Moulton said she was in a critical condition. Whether she will recover will not be known for at least 24 hours, the physician said.

Schools in Northend Begin Fall Session
